

# Capability Statement

*Improving Employee Wellness in Education, Healthcare, and Hospitality*

## Our Company (est. 2019)

---

**LiberationX Contracts** is the catalyst for promoting work-life harmony through leadership development. We enable organizations to transform their workplaces by providing comprehensive management consulting, staff retention services, and transformative leadership wellness experiences.

## Differentiators

---

**National Offerings** – We offer both virtual and on-site trainings anywhere in the continental US.

**Personalized Approach** - We tailor our services to meet each client's unique needs, ensuring a personalized experience that goes beyond one-size-fits-all solutions.

**AI Driven Self-Help Platform** – We empower employees to continue implementing training insights beyond the workplace, creating a lasting impact on your retention.

**Proven Track Record** – We have earned the trust of clients across various industries - over 95% of repeatable business from existing customers annually.

**Holistic Services** – We directly address the underlying causes of employee disengagement to foster a culture of resilience, well-being, and peak performance.

## Core Competencies

---

- Multiple Modality Trainings
- Tailored Curriculum Delivery
- Employee Face-to-Face Experiences
- Leadership Development Programs
